RENEW YOUR MEMBERSHIP FOR 2018

Geochemical Society (GS) members can renew quickly and securely on the GS website www.geochemsoc.org. Renew by 31 December 2017 to save \$5 off the regular dues and enjoy uninterrupted access to *Elements*, *Geochemical News*, and registration discounts to Goldschmidt2018 in Boston (Massachusetts, USA) and other conferences. Members also have access to the online member directory (available by signing into your profile on the website). You can also choose a two-year membership option to save time and money. If you prefer to renew by mail, please visit the website to download a form to send with your payment.

2018 Dues Rates	Early (by 31 December 2017)	Regular
Professional	\$30	\$35
Senior	\$15	\$20
Student	\$10	\$15

The society also offers a Life Member option that eliminates the need to renew every year. The current life membership rate is 70 minus your current age times US\$35, with a minimum rate of \$175. Contact the business office at gsoffice@geochemsoc.org for more information on upgrading your membership to this convenient option.

KEEP YOUR PROFILE CURRENT

Have you recently moved or changed your email address? Keeping your GS member profile current allows us to send *Elements* and *Geochemical News* to the right place every time. Updating your contact information is easy: just visit www.geochemsoc.org/contact and click the link to access your online member profile. You can also email the business office with updates or corrections at any time.

GS CAREER CENTER

The Geochemical Career Center features job opportunities from employers all around the world. If you are looking for a teaching, research, or postdoctoral position, be sure to add the Career Center to the websites you follow. If you are an employer seeking excellent candidates, it's a great way to advertise your position to members of the society. Visit www.geochemsoc.org/career-center to get started.

GOLDSCHMIDT2018 CALL FOR SESSIONS

The science committee and theme chairs for Goldschmidt2018 have identified 15 broad themes for the conference, and the entire geochemistry community is now invited to submit suggestions for sessions. The call for sessions will close on 1 November 2017; this is your chance to ensure that your favorite subject will be covered during the conference. Details on how to submit a session proposal can be found at goldschmidt.info/2018.

NOMINATE A COLLEAGUE FOR A GS AWARD BY 31 OCTOBER 2017

There is still time to nominate an outstanding colleague for one of the society's 2018 awards. Information about the Goldschmidt, Clarke, Patterson, and Treibs awards can be found at www.geochemsoc.org/awards. Details regarding the award of Geochemical Fellow, jointly awarded by EAG and GS, are also available on the website.

The society seeks broad diversity for its awards, and to achieve this goal we need high-quality nominations from all parts of the geochemical community. Nominations must be received by 31 October 2017; the winners will be announced February 2018.

Francis McCubbin (NASA Johnson Space Center, USA) accepts the 2017 F.W. Clarke Award from GS President Laurie Reisberg (CRPG-CNRS, France) on 16 August 2017 in Paris (France).

Kai-Uwe Hinrichs (University of Bremen, Germany) accepts the 2017 C.C. Patterson Award from GS President Laurie Reisberg on 16 August 2017 in Paris (France).

FIND US THIS FALL AT GSA AND AGU

The Geochemical Society will be at the Geological Society of America (GSA) Annual Meeting in October 2017 and the American Geophysical Union (AGU) Fall Meeting in December 2017. Find us in the exhibit hall to renew or update your membership, learn about our programs, or just to say "Hello". Thanks to partnerships with GSA and AGU, Geochemical Society members can take advantage of the discounted member registration rates for both conferences.
