## STUDENT TRAVEL GRANTS

Thirteen travel grants worth 200 € each and financed by the Spanish Mineralogical Society (SEM) will be available to help qualified master's and PhD students, as well as recent PhDs, attend the following meetings:

**SEM-SEA 2012** (5 grants). This conference is the joint scientific meeting of the Spanish Mineralogical Society (SEM) and the Spanish Clay Society (SEA). It will be held in Bilbao (Abandoibarra Paraninfo, Bizkaia Aretoa Building) from 27 to 30 June 2012. This conference will be the 32<sup>nd</sup> meeting of the SEM and the 22<sup>nd</sup> meeting of the SEA. The local organizing committee is composed of members of the Department of Mineralogy and Petrology of The Basque Country University (UPV/EHU). An international seminar entitled "Archaeometry and Cultural Heritage: The Contribution of Mineralogy" will be held on 27 June 2012. Two optional post-congress geological field trips in the Bizkaia region will be organized: "Intracretaceous Volcanism in the Basque Cantabrian Basin" and "Mineralogy of the Carranza Valley."

## First European Mineralogical Conference (emc2012) (5 grants).

This meeting will be held in Frankfurt am Main, Germany, on 2–6 September

2012. Registration and abstract submission are now open. More information is available on the emc2012 website, <http://emc2012.uni-frankfurt.de>.

## Fourth EuCheMS (3 grants). This

conference will be the 4<sup>th</sup> congress of the European Association for

Chemical and Molecular Sciences. It will take place in Prague, Czech Republic, on August 26–30, 2012. More information is available on the 4<sup>th</sup> EuCheMS website, <http://euchems-prague2012.cz>.

The travel grants will be awarded on the basis of the quality of the submitted abstract, the absence of other sources of support available to the recipient, and previous travel grants provided to attend meetings. Applicants must send a copy of the submitted abstract, their CV, and a copy of the registration fee bank receipt to SEM Secretary Salvador Morales ([smorales@ugr.es](mailto:smorales@ugr.es)).

## What is the Lyell Collection?

Launched in 2007 the Lyell Collection is an online collection comprising the Society's journal titles, Special Publications and key book series. Cutting edge science sits alongside important historical material, all captured and presented to the highest electronic standards and benefiting from the extensive functionality of HighWire Press' H2O platform.

With 240 000 peer-reviewed pages, 25 000 articles and 1000 volumes, the Lyell Collection is an invaluable tool for the researcher and student alike.

- Full text in HTML and PDF format
- Actively linking to cited references
- Free public access to alerts, search functions and abstracts
- Selected open access articles
- Hosted by Highwire Press

## The Geological Society

The Geological Society of London was founded in 1807 and is the UK national society for geosciences, with over 10 000 members. It is a global leader in Earth science publishing, dedicated to providing a high-quality service throughout the world.

## New developments for 2012

### GEOfACETS

The Society is collaborating with Elsevier to launch a Lyell Collection module on Geofacets. Selected titles will be available on Geofacet's searchable database of georeferenced geological maps that enables geoscientists working in the early stages of upstream exploration to assess a region's or basin's geological characteristics.

- Intuitive search features designed for geoscientists
- Map overlays
- Access to thousands of georeferenced maps
- Links to associated articles
- For further information please contact [sales@geolsoc.org.uk](mailto:sales@geolsoc.org.uk)

### Special Publication archives

Online archives of the first 300 volumes of the Geological Society's Special Publications are now available for sale on a one-off, perpetual access basis. Prices include a 10% discount for those purchasing the full archive (volumes 1–300)

### New titles

Two new archival titles will be launched and made available to Lyell Collection Complete subscribers at no additional charge.

- Transactions of the Edinburgh society
- Transactions of the Glasgow society
