

<b>THEME TITLE:</b>			
<b>GUEST EDITOR:</b>		<b>PRINCIPAL EDITOR:</b>	
<b>ACTION</b>	<b>DEADLINE</b>	<b>COMMENTS</b>	
Formally invite first authors and complete 'Invited Author' forms	Immediately	First authors should ensure that the Invited Author Form is completed for each author of multi-author papers. Send copies to the Managing Editor who will send 'Instructions for Authors' and Copyright forms to authors.	
All authors to send a short personal biography and photograph	As soon as possible	Send to the Managing Editor	
Receive preliminary abstracts from authors		Check for any overlaps or other problems. Send copies of abstracts to Managing Editor and Principal Editor	
Receive completed mss from authors		Check for completeness including final abstract, figures, captions, acknowledgements and references	
Send each ms to an independent referee, Principal and Managing Editors	Immediately	Send as soon as individual mss are received	
Receive referee comments		Ensure you will be available to act quickly as soon as comments arrive	
Provide pictures, ideas, visuals for cover design	As soon as possible	You may have a design idea of your own or draw inspiration from your authors. Contact the Managing Editor with your ideas	
Return mss to authors	As soon as possible	Send comments from yourself, the independent referee and the Principal Editor. Ensure the style of the ms adheres to the 'Instructions to Authors' and that symbols or acronyms are used consistently. Check technicalities of artwork with the managing Editor and request any changes	
Receive final versions of mss		Check that recommended actions have been carried out, and make any final editorial changes. Check the page count: send to Managing Editor as they are ready	
Set the order in which articles will appear	As soon as possible	Inform the Managing Editor	
Complete your one-page introduction with abstract	As soon as possible	Send to Managing and Principal Editors	
All mss to be with Managing Editor		Send as soon as individual mss are received.
